The Great Animal Mystery

WCHP February Virtual Trail Challenge

Your family's mission, if you chose to accept it, is to identify one of Pennsylvania's great wild animals that you can also find throughout Washington Crossing Historic Park!!

On this adventure you will find a series of 5 different clues that will help guide you to a discovery! Each clue contains a **key word or phrase** that will help in your quest.

Be sure to keep track of these on your clue card!

Once you have found all of the clues, you can send your guess as to what the mystery animal is to the Park Naturalist, Matt Truesdale, for confirmation!
