The Great Mammal Mystery

WCHP January Virtual Trail Challenge

Your family's mission, if you chose to accept it, is to identify one of Pennsylvania's most elusive mammals!

On this adventure you will find a series of 5 different clues that will help guide you to a discovery! Each clue contains a **"key word"** that will help in your quest.

Be sure to keep track of these words on your clue card.

Once you have found all of the clues and determine an answer, you will have the opportunity to email your answer to the Park Naturalist, Matt Truesdale, for confirmation!

Enjoy the park and your adventure!
