## TAKE YOUR STUDENTS ON A HISTORIC JOURNEY BACK TO THE AMERICAN REVOLUTION!

Washington Crossing Historic Park makes the perfect site for an educational (and fun!) field trip. The park offers dedicated Colonial Days that are specially designed for students of all ages.

All of our educational programs meet common core history standards, and our hands-on approach to learning means that every student has the opportunity to experience the history of our site and 18th century life. Programs are offered Tuesdays – Fridays throughout the year.

During the field trip program – which runs from 10 AM to 12:30 PM – students rotate through stations, spending 15 minutes at each stop to learn about life in 18th century colonial America and the events of Christmas Night 1776.

\*\* Program stations are adjusted for group size, so smaller groups may finish more quickly.
